CONFERENCE & EVENTS

We believe in being easy to work with. Our team takes the time to know you and your event, working with you as a partner and going out of our way whenever it counts. We take pride in warm, personal service that leaves you and your guests feeling looked after from start to finish.

FROM OUR KITCHEN

At View Sydney, your event is looked after by the same kitchen and bar team that runs LB's Restaurant, Wylde Bar and Deck 17 from breakfast through to last drinks. We cook seasonally, with a love of Australian produce and the seafood that Sydney is known for. Work with our events team to shape a menu around your guests and your occasion, and leave the rest to us.

JEFF HAY

EXECUTIVE CHEF

Jeff's passion for cooking began at home, where, as one of 11 children, he helped his mother prepare family meals from around the age of nine, baking biscuits, cakes and pavlovas. He began his professional career as an apprentice chef in the New Zealand Army before moving to Australia, where he built his experience across restaurants, hotels and clubs. A formative stint at a nouvelle cuisine restaurant on Blues Point Road gave him a love of colourful presentation, vibrant flavours and exceptional Australian produce.

Today, his seasonal cooking draws on French, Asian, Italian and German influences, with a particular passion for Australian seafood. At View Sydney, Jeff thrives on catering for large events and celebrations, creating memorable experiences that keep guests returning year after year.
